ITK ONLINE TRAINING
TECHNICAL REQUIREMENTS

ITK uses Microsoft Teams as the training and collaboration platform for communication and Microsoft Azure Lab Services as the platform for a virtual training environment. The minimum requirements for this, as well as the equipment for the best user experience, are listed below:

Microsoft Teams
Minimum requirements:
- Web browser with HTML5 support (Microsoft Edge, Google Chrome, Mozilla Firefox or similar).
- Webcam and headset

Recommended equipment:
- Windows client with Microsoft Teams application
- Full-HD webcam, headset (optimized for Microsoft Teams)

Microsoft Azure Lab Services
Minimum requirements:
- Monitor with resolution of at least 1280 x 800 px

Empfohlene Ausstattung:
- Second monitor with Full-HD resolution to be able to use Teams and Lab Services simultaneously

FIREWALL SETTINGS

Firewall Settings	Bandwidth	Protocol	Port	Range
Microsoft Teams	Min. 2Mbit/s	UDP TCP	3478-3481 443	13.107.64.0/18 52.112.0.0/14 52.120.0.0/14
Microsoft Azure	Min. 5Mbit/s	TCP+UDP TCP	3389 443	azure.com
